Shake Shack sprouted from a hot dog cart in New York City's Madison Square Park to support the park conservancy's first art installation. The cart was quite the success, with Shack fans lined up daily for three summers.

In 2004, a permanent kiosk opened in the park: Shake Shack was born! An instant neighborhood fixture, Shake Shack welcomed people from all over the world who gathered together to enjoy fresh, simple, high-quality versions of the classics in a majestic setting. The rest, as they say, is burger history.
