We Stand For Something Good

We work with the best ranchers, farmers, and bakers to source premium ingredients. All our beef, chicken, and pork are 100% natural with no added hormones or antibiotics ever. Our Angus beef is delivered fresh, vegetarian fed and humanely raised. We use cage-free eggs and our pork is pasture-raised. All served on a Non-GMO potato bun. What's sweeter? Our vanilla and chocolate frozen custard is made with real sugar, no corn syrup, and milk from dairy farmers who pledge never to use artificial growth hormones.

*Notice: consuming raw or undercooked meats, poultry, seafood, or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions.

2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutrition information available upon request.

Please inform your cashier if a person in your party has a food allergy. Peanuts, nuts and other food allergens are present at Shake Shack. We cannot guarantee that our products will be free of the eight major allergens identified by the FDA.

GF Our kitchen is not a gluten-free dedicated facility.
